Risk No.	Risk description (Context and Consequence)	Cause	Risk Status	Mitigation [SAA specific]	Risk Status
		Each competitor approaches a central area to sign in on match day		a minimum of 2m between match official and anglers. No physical contact, handshakes etc. Anglers must not queue or congregate at the registration location. Anglers Contact details will be held for 21 days for Track and Trace. [These issues are covered by SAA's "Update on Coronavirus (COVID-19) – Club Competition Fishing", dated 3 rd December 2020.]	
5	Peg Draw Contact Cross Contamination Air Borne Infection	Pegs drawn individually by contestants from shared bag. Draw bag or box is normally held or supervised by an organiser who also receives the number or token before registering it on a paper form.	High	Draw held in advance by Zoom or similar media by match organiser and post peg allocation by e-mail or social media the morning of the match. If the draw is made at the Venue a match official will draw on behalf of the angler and the angler will be informed verbally. Anglers to move straight to the Peg after the draw is made, maintaining social distancing guidelines, ie, maintaining a minimum of 2m between match official and anglers. No physical contact, handshakes etc Use a rolling draw and make the draw as each angler arrives at the venue. Where the location permits the anglers can remain in their vehicles for the draw. All competitors will fish on allocated "pegs". These pegs must be appropriately spaced to ensure that social distancing is always maintained. [These issues are covered by SAA's "Update on Coronavirus (COVID-19) – Club Competition Fishing", dated 3 rd December 2020.]	Low
6	Weigh In Contact Cross Contamination Air Borne Infection	Weigh in would normally involve a match official or angler at the end of each section, visiting each angler with the angler or other anglers assisting with the scales. The match official would record the weight and ask the angler to countersign.	Medium	Use a weigh-in bag frame, match official sets up the weigh in bag on the frame, steps away, the angler empties their catch from keepnet to weigh-in net, steps away and match official lifts weigh in bag onto scales and records the weight. The angler will not be asked to countersign the weight record.	Low
