The Southdown Angling Association is based in the Eastbourne, Polegate and Hailsham area of East Sussex and offers quality coarse fishing on several marsh drains on the Pevensey Levels, a stretch of the River Cuckmere and some stillwaters.

The waters contain pike & carp up to circa 30lb, tench & bream to 7lb, chub up to 5lb, perch to over 3lb, roach, rudd, a few dace, gudgeon and eels.

**The Wallers Haven, Pevensey Levels**

Regular friendly matches are held for those of a competitive nature, or who enjoy fishing in company, while the pleasure angler can relax & enjoy their fishing amongst really pleasant surroundings.

**North Farm Pool, Marle Green**

SAA membership also gives anglers the chance to fish many other locations in Sussex and Kent, via an exchange permit scheme which is operated with several other clubs in the area, giving members the opportunity of having a day fishing their waters.
