Pike Fishing Days 2022 – 2023

The RFA is going to arrange three charity-supporting pike fishing days following a very generous offer made by the landowner of the river adjacent to the RFA length at Newenden.

Each day will be a chance for RFA members to fish a length of river with great potential and will be run as a pegged pike match, the draw being at 8am, with fishing from 9am to 3pm and parking is within yards of the river.

Two rods will be allowed, no live fish to be used as bait (RFA Rules apply.)

The entry fee will be £15 per person per day, from which £10 per angler will be donated to one of three charities, the other £5 will go into a pool, paying out 50% for first, 30% second, 20% third on each day, cash. There will also be a separate (voluntary) pool of £10 for each match which will be allocated in the same proportions.

In addition, the landowner has very generously offered to give a cash prize on each day to the captor of the biggest pike.

The RFA will offer an additional prize in each match of £25 for the person with the biggest weight caught, and another £25 for the person with the smallest fish on the day !
